

Avoid a local lockdown

The number of people testing positive for Coronavirus in Oldham is increasing.

NEW GUIDANCE TO PROTECT OLDHAM:

- Do not make social visits to other people's homes
- Restrictions on care home visiting are not being relaxed
- Those who are shielding should continue to take extra care

REMEMBER:

- Limit contact with other people – stay 2 metres apart, no hand shaking or hugging with those outside your household or support bubble

- Wear a face covering when in a shop or other indoor spaces with people you don't usually meet

- Self-isolate at home, and book a test, if you or anyone in your household has symptoms
